

Saugus High School Summer Reading 2022

All students entering the 12th grade are **strongly encouraged to choose at least two books** from the recommended list for class discussions at the start of the 2022 school year.

Every CP and/or Honors high school student in **grades 9-11, is asked to read at least two books over the summer**. There will be one assigned title per grade, and students are encouraged to choose a second title from the texts listed below. If you plan to read a second title not listed here, please reach out to your ELA teacher prior to the first day of school and make sure they approve of the second book chosen.

All students need to be prepared to participate in class discussions and complete summer reading assignments at the start of the school year (Fall 2022). It is strongly recommended that you take notes on both books, to help you remember characters, conflict, plot sequence, and theme. You can also copy this [note-taking template](#) and add it to your google drive, or print it out from the bottom of this document, and copy it, if you prefer hand-written notes. All students will be held accountable for the completion of two book titles.
